RE: Letter of Recommendation – DT-TT Festival 2025

Dear Prof.dr. Doru Ursutiu,

Emona Instruments Pty Ltd is pleased to express our strong interest in supporting the 2025 Technological Transfer Festival, "Digital Transformation of manufacturing and products, based on Technology Transfer".

Digital transformation is becoming increasingly important in shaping the future of manufacturing and product development. Therefore, the Technological Transfer Festival is an opportunity to foster collaborations that will drive innovation and presents a valuable opportunity to engage with experts and exploring emerging technologies.

Emona fully supports the initiative of the Centre of Valorisation and Transfer of Competencies and Transylvania University of Brasov in organizing this event.

We are confident that the Festival will serve as a catalyst for accelerating digital transformation in the region and beyond.

Sincerely,
EMONA INSTRUMENTS PTY LTD

Alfred Breznik
Technical Director
