Subject: **Letter of Recommendation**

Dear Organizing Committee,

EPI-SISTEM SRL is pleased to express our strong interest in attending and supporting the Technological Transfer Festival called „ **Digital Transformation of manufacturing and products based on Technology Transfer (DT-TT)**”, to be held in Brasov in 2025. We recognize the importance of digital transformation in shaping the future of manufacturing and product development. The DT-TT Festival present valuable opportunity to engage with leading experts, exploring cutting-edge technologies and foster collaborations that will drive innovation and growth in our industry. EPI-SISTEM SRL is committed to continue to promote the technological advancements and to sustain the technological transfer. The participation in the DT-TT Festival will enable us to:

- Enhance our company visibility
- Showcase our expertise and the success of our development project activities
- Acquire useful information about latest trends and best practices in digital transformation
- Develop future partnerships and collaborations

We fully support the initiative of the **Center of Valorization and Transfer of Competencies – Transylvania University of Brasov** in organizing this impactful event. We appreciate that the DT-TT Festival will serve as a catalyst for accelerating digital transformation in the region and beyond. We look forward to the opportunity to participate in this exciting festival and contribute to it’s success.
