Subject: Letter of Recommendation – DT-TT Festival 2025

Dear Organizing Committee,

IQRF Tech s.r.o. (Ltd.) is pleased to express our strong interest in attending and supporting the Technological Transfer Festival, "Digital Transformation of manufacturing and products, based on Technology Transfer (DT-TT)", to be held in Brasov in 2025. We recognize the critical importance of digital transformation in shaping the future of manufacturing and product development. The DT-TT Festival presents a valuable opportunity to engage with leading experts, explore cutting-edge technologies, and foster collaborations that will drive innovation and growth in our industry. IQRF Tech s.r.o. is committed to staying at the forefront of technological advancements. We believe that active participation in the DT-TT Festival will enable us to:

- Acquire valuable insights into the latest trends and best practices in digital transformation.
- Establish connections with potential technology partners and collaborators.
- Exchange experiences with expert engineers and designers.
- Showcase our expertise and the successes of our technologies and innovations.
- Develop business relationships and nurture future partnerships.
- Enhance our brand visibility.

We fully support the initiative of the Center of Valorization and Transfer of Competencies and Transilvania University of Brasov in organizing this impactful event. We are confident that the DT-TT Festival will serve as a catalyst for accelerating digital transformation in the region and beyond. We look forward to the opportunity to participate in this exciting festival and contribute to its success.

Sincerely,

Jan Vašta

Sales Director, IQRF Tech s.r.o.
