

Subject: Letter of Recommendation – DT-TT Festival 2025

Dear Organizing Committee,

RomTek Electronics SRL is pleased to express our strong interest in attending and supporting the Technological Transfer Festival, "Digital Transformation of manufacturing and products, based on Technology Transfer (DT-TT)", to be held in Brasov in 2025. We recognize the critical importance of digital transformation in shaping the future of manufacturing and product development. The DT-TT Festival presents a valuable opportunity to engage with leading experts, explore cutting-edge technologies, and foster collaborations that will drive innovation and growth in our industry. RomTek Electronics SRL is committed to staying at the forefront of technological advancements. We believe that active participation in the DT-TT Festival will enable us to:

- Gain valuable insights into the latest trends and best practices in digital transformation.
- Connect with potential technology partners and collaborators.

We fully support the initiative of the Center of Valorization and Transfer of Competencies and Transilvania University of Brasov in organizing this impactful event. We are confident that the DT-TT Festival will serve as a catalyst for accelerating digital transformation in the region and beyond. We look forward to the opportunity to participate in this exciting festival and contribute to its success.

Sincerely,

Andrei Serbanescu
