**To: Transylvania University of Brasov, Romania**  
Center for Valorization and Transfer of Competences, CVTC  
National Research & Development Institute for Materials Physics, Bucharest

**From : OPTOELECTRONICA-2001 S.A.**

**Subject:** Letter of Recommendation – DT-TT Festival 2025  
Dear Organizing Committee,

OPTOELECTRONICA-2001 S.A. is highly interested in attending and supporting the Technological Transfer Festival, "Digital Transformation of manufacturing and products, based on Technology Transfer (DT-TT)", to be held in Brasov in 2025.

We are giving a high importance to all actions regarding the digital transformation in shaping the future of manufacturing and product development.

The DT-TT Festival will present a great opportunity to meet leading experts, explore cutting-edge technologies, and foster collaborations that will drive innovation and growth in our industry. OPTOELECTRONICA -2001 S.A. has the goal to stay in the frontline of the technological advancement and we are convinced that participating in this event will allow us to:

- Stay in line with the digital transformation trends.
- Develop new partnerships and cooperation with worldwide partners.
- Keep up the pace of the digital transformation revolution

We fully support the initiative of the Center of Valorization and Transfer of Competencies and Transilvania University of Brasov in organizing this impactful event. We are confident that the DT-TT Festival will serve as a catalyst for accelerating digital transformation in the region and beyond. We look forward to the opportunity to participate in this exciting festival and contribute to its success. **We intend to make a presentation with the subject : “Technological transfer at Optoelectronica-2001 S.A. in digital era- present achievements and future plans”**
