

Infineon Technologies Romania

**Subject:** Letter of Recommendation – DT-TT Festival 2025

**Date:** September 19<sup>th</sup>, 2024

Dear Organizing Committee,

Infineon Technologies Romania is pleased to express its interest in the Technological Transfer Festival, "Digital Transformation of manufacturing and products, based on Technology Transfer (DT-TT)", to be held in Brasov in 2025. We recognize the importance of digital transformation in shaping the future of manufacturing and product development. The DT-TT Festival presents a valuable opportunity to initiate or foster collaborations that could drive innovation and growth in our industry. Infineon Technologies Romania is committed to staying at the forefront of technological advancements and collaboration with Romanian Universities.

We believe that a participation in the DT-TT Festival will allow

- insights into trends and best practices in digital transformation and
- to connect with potential technology partners and collaborators

We support the initiative of the Center of Valorization and Transfer of Competencies and Transilvania University of Brasov in organizing this event and are looking forward to the opportunity for participation.

Sincerely,
